

Feeding the Lambs School Lunch Program

To: Christ Lutheran School Parents/Guardians:

Again this year, *Feeding the Lambs* will be providing the milk service for Christ Lutheran School students through their Milk Program. Milk will be served every day school is in session unless some special activities preempt the program. White and chocolate milk are offered. The white milk contains 1% fat and chocolate milk is skim.

The program payment system has been developed to accommodate parents who want milk everyday or only on hot lunch days. There are three options:

1. If you want your student to receive milk everyday regardless of whether they purchase a hot lunch or bring lunch from home, a single payment is made at the beginning of the school year to cover milk costs for the semester. If you have paid in advance for milk, on the lunch order form indicate the number of lunches you are ordering on the "**with participation in the Milk Program**" line and you will receive the lower lunch rate. If you will not be ordering any lunches, we will keep track of your milk request on our class lists.
2. If you want your student to receive milk only on days when hot lunches are provided, indicate the number of lunches you are ordering on the "**without participation in the Milk Program**" line which will be the higher lunch price. Obviously the higher lunch price will cover the milk cost in that ordered lunch.
3. At any lunch, milk may be purchased on the spot for \$.50.

Feeding the Lambs has been providing hot lunches to area Christian schools for the past thirteen years. We have learned over the years to balance nutritional value with student culinary tastes. We are always interested in parent/guardian/student input in order to improve our program.

If you have any questions, please call Mike at (913) 787-6582.

Through Christ,

Michael E. Brumet, Ph.D
